

Holy Redeemer will welcome Artie Boyle to speak via live-stream in the Parish Center on March 23, at 4 PM. Artie was given six months to live, but God had other plans. Come hear his incredible testimony of healing, faith and hope. Don't miss this opportunity for a life-changing experience.

In the year 1999 Artie was diagnosed with renal cell carcinoma (kidney cancer) that spread to his lungs. The doctors gave him less than 5% chance for survival. At the urging of two dear friends, he went to Medjugorje, Bosnia-Herzegovina, an apparition site of the Blessed Virgin Mary that began in 1981. It was in Medjugorje that Artie believes he was healed by Jesus through the intercession of Mary and by way of the sacrament of Reconciliation and the power of Forgiveness.

AN EVENING —WITH— ARTIE BOYLE

"THIS STORY OF AN IMPOSSIBLE HEALING WILL NOT ONLY STAY WITH YOU FOR A VERY LONG TIME, BUT CHALLENGE YOU TO BE THE PERSON GOD CALLED YOU TO BE."

"His words and story of an impossible healing will not only stay with you for a very long time, but challenge you to be the person God called you to be."
— JIM CAVIEZEL, star, *THE PASSION OF THE CHRIST*, CBS Person of Interest

"If you've ever wondered about the power of faith, his testimony will take your breath away. It proves that nothing is impossible with God."
— RAY FLYNN, former U.S. Ambassador to the Vatican and Mayor of Boston

"With the severity and progression of Artie's disease, metastatic renal cell carcinoma, it is difficult for medical science to explain why he is alive today. But, every time I see him, I am sure there is a God. This story proves there is always hope. I am a believer."
— FRANCIS JAMES MCGOVERN, MD, is a urologist at the Massachusetts General Hospital Department of Urology. He specializes in the treatment of cancer and related research

"The wonder of the Arthur Boyle story is that it is still unfolding. A process of faith, prayer and sacraments, wrapped in the love of family and friends, and graced by the Virgin of Medjugorje, opened a healing path which continues to inspire Christian joy, hope and vision in hungry souls from the town of Hingham to distant lands. Long may its ripple effect continue!"
— FATHER SIMON CADWALLADER, Missionary Society of St. James the Apostle

"This story of an impossible healing will not only stay with you for a very long time, but challenge you to be the person God called you to be."
— JIM CAVIEZEL, star, *THE PASSION OF THE CHRIST*
