QUESTIONS

A scenic view of a town at sunset with a rainbow in the sky. The town is built on a hillside, and the sky is filled with soft, colorful clouds. A vibrant rainbow arches across the sky, starting from the left and ending on the right. The sun is low on the horizon, casting a warm glow over the scene. The foreground shows the rooftops and trees of the town, while the background features a large, forested hill.

## 2024 Divine Mercy

Details Itinerary Contacts To do's

### Medjugorje April 2024

[View Registration](#)

On June 24th, 1981, 2 girls (15 & 16 years old) claimed to have seen Our Lady on a hillside. The next day, they returned with other villagers and 6 children began having daily apparitions ([read more here](#)). Apparitions of Mary in Medjugorje are alleged to continue even today! Medjugorje has become a miraculous site where people from all over the world come together, find the "love of God," and leave filled with peace.

In April 2024, we will explore Medjugorje with Fr. John Marshall and Fr. Simham. Is Our Lady calling you to join us? We will stay in 2 houses in Medjugorje, each with one of these 2 great spiritual directors. We will celebrate Divine Mercy Sunday, and explore Medjugorje and surrounding areas. **Fr. John Marshall** of [St. John the Baptist](#), Miwaukie, OR will be returning for his 3rd visit in just over 1 year. You can watch the video below of Fr. John talk about Medjugorje when he was there in March, 2023. **Fr. Simham** is from Pedharikatla, India where Bishop Moses asked him to start an orphanage and school for kids that have nowhere else to go. He started a parish where he not only spreads the Good News, but also helps the community by teaching skills (such as sewing to widows, and basic computer skills). Fr. Simham also served in Aberdeen, WA a couple of years ago, so many of you already know him!
